INVESTMENT OBJECTIVES:

The Aditum Structured Finance Fund will seek to achieve attractive risk-adjusted returns associated with investing in a diversified portfolio of private debt opportunities. The Fund expects to generate low volatility returns which are uncorrelated to traditional asset classes, and which generally exceed other investments of a similar duration. The fund invests in, but is not limited to, trade finance, structured trade, export/import finance, supply chain finance, inventory finance, factoring, receivable finance, asset-based finance, bridge finance, expansion finance and project-based finance opportunities, located primarily in, or having exposure to, global emerging markets.

6M USD SOFR*	0.30	0.93	1.97	4.15	15.45	18.74	18.94

*This indicative benchmark is calculated by Aditum Investment Management Limited using the SOFR rate published by Bloomberg, assuming ACT/360 interest rate calculation, full notional invested and reinvested each month as of the last rate published the previous month.

The performance is calculated from Share Class A (Acc) USD share class since inception 1 February 2020. Performance figures are net of fees and inclusive of non-cash, forward-looking expected credit loss (ECL) provisions. Figures may differ from realised outcomes due to credit, counterparty, and market factors. The Fund is Cayman-domiciled and not regulated by the DFSA. The value of shares in the fund and income received from it can go down as well as up, and investors may not get back the full amount invested. Performance may also be affected by currency fluctuations of the underlying holdings.
